

CURRICULUM VITAE

OF

JONATHAN MUTIMER

MBChB, MRCS, FRCS (Tr & Orth)
PG Dip Clin ED (RCPSG)

March 2017

PERSONAL DETAILS

Name	Jonathan Nigel Mutimer
Date of Birth	27 th January 1974
Hospital Address	Cheltenham General Hospital Sandford Road Cheltenham GL53 7AN Tel: 03004 223585
E-mail Address	jonmutimer@doctors.org.uk
Nationality	British
Marital Status	Married
Full Registration	6 th August 1997
GMC Registration	4405678

QUALIFICATIONS

Post Graduate Diploma in Clinical Education (RCPSG)	2016
Certificate of Completion Of Training, Joint Royal Colleges	2009
FRCS (Tr & Orth)	2007
Membership of the Royal College of Surgeons, England	2001
MB ChB	1997
University of Bristol Medical School, Bristol, United Kingdom	1992-1997
Loughborough Grammar School, Loughborough	1985-1992

SCHOLARSHIPS AND AWARDS

Shortlisted for ACUMED best poster prize, BOA, Manchester	2007
Endoplus Clinical Futures Award	2004
Credit in Paediatrics	1997
Credit in Biochemistry	1994
Old Loughburian Memorial Trust Travelling Award	1993

FELLOWSHIP EXPERIENCE

Jan 2008-Jan 2009 Fellowship in Lower Limb Arthroplasty
 Professor JG Horne & Mr P Devane
 Wellington, New Zealand

This fellowship has enabled me to pursue my interest in primary and revision hip and knee arthroplasty, teaching and research. Other opportunities included visiting surgeons abroad, performing research into polyethylene wear in total hip arthroplasty and presenting instructional course lectures and research at national meetings.

Sept 2008 Educational Visit/mini fellowship

I spent a week in Melbourne with Andrew Shimmin and David Bracy, members of Melbourne Orthopaedic Group assisting in surgery and discussing hip resurfacing in depth. I also assisted Richard De Steiger in navigation assisted total knee arthroplasty and discussed aspects of the Australian Joint Registry of which he is Deputy Director.

CURRENT APPOINTMENT

June 2009–Present Consultant Trauma and Orthopaedic Surgeon
Cheltenham General Hospital

Specialising in lower limb hip and knee arthroplasty

PREVIOUS APPOINTMENTS

Jan 2003-June 2009 Specialist Registrar, Severn Institute Rotation (2003-2009)

Aug 2002-Jan 2003 Clinical Fellow in Trauma and Orthopaedics
Bristol Royal Infirmary
Mr J D Eldridge (soft tissue/arthroplasty knee)

Feb 2000-Aug 2002 Bath Surgical Rotation (Senior House Officer)

Aug 1999-Feb 2000 Anatomy Prosector and Resident Medical Officer
University Of Oxford / Saxon Clinic, Milton Keynes
Professor J Morris and Dr C A R Boyd

Feb 1999-Aug 1999 Senior House Officer in Accident and Emergency
Manly Hospital, Sydney, Australia
Dr B Collits and Dr R Lennon

Aug 1998-Feb 1999 Senior House Officer in Trauma and Orthopaedics
Bristol Royal Infirmary, Bristol
Mr M F Gargan and Mr M Jackson

Aug 1997-Aug 1998 House Physician in Cardiology
House Surgeon in Trauma and Orthopaedics / Vascular Surgery

PUBLICATIONS

Challenges to the orthopaedic arthroplasty enhanced recovery programme.

South West Surgical Society, Bath

Local Presentations

I have presented locally at the regional orthopaedic teaching program and at departmental meetings on a regular basis covering a variety of clinical and scientific topics.

TEACHING EXPERIENCE

I teach and supervise the local orthopaedic registrars performing elective and trauma operations, in particular arthroplasty, arthroscopy and a range of general trauma cases. This is alongside formal and informal undergraduate and postgraduate teaching to all members of the multidisciplinary team.

I am Course Director for ATLS, Human Factors as well as the national AO Principles of Skeletal Fixation courses.

I have completed the 'Training the Trainers' course organised by the Royal College of Surgeons. This has helped to further my teaching skills and appraise different teaching techniques. Recent courses include:

- Cheltenham Knee Arthroplasty Course
- Cheltenham Knee Arthroscopy Course
- Swindon Cemented Hip Arthroplasty Course
- Proximal Femoral Fractures, Bristol
- Trauma Plating course, Gloucester
- ATLS courses, Bath and Cheltenham
- ATLS Instructors Course, London
- Human Factors Course, Bristol

I interview for national ST3 and CST selection.

I have recently completed a Postgraduate Diploma in Clinical Education (RCPSG).

AUDIT

I am the audit lead for the Orthopaedic Department. Responsibilities include:

- Identifying audit needs in the department
- Delegation of audit projects to junior doctors
- Arrange quarterly audit meetings encompassing morbidity and mortality presentations and audit
- Collating minutes from meetings

I have set up a database to collate audit information and presentations which will become a useful resource as it develops.

I am the National Joint RegistrR lead and recently appointed to NJR Regional Clinical Coordinators committee. I am responsible for the compulsory annual audit of data submission to NJR.

PERSONAL STATEMENT

I have been appointed at Cheltenham General Hospital to provide an elective lower limb arthroplasty practice as well as a commitment to the trauma service. My training and fellowship experience have given me a well balanced, evidence based approach to my practice and I enjoy contributing to the future of orthopaedics in the county.

I have been appointed as the Training Programme Director for the Orthopaedic Core Surgical Trainees in Severn Deanery to oversee their training
